Overview

Three days connect Ouarzazate, the Dadès and Todra landscapes and the Erg Chebbi dunes at Merzouga. Enjoy a valley guesthouse night followed by a proposed desert-camp night, with sunset, stargazing and an optional camel experience. The final return is a long travel day: the route, camp facilities and every activity are confirmed with a named provider before you book.

Experiences

1. Kasbah heritage
2. Valleys & gorges
3. Sahara sunset & stars

Your itinerary

Day 1 / Skoura → Rose Valley → Dadès

Depart Ouarzazate at 08:00 for Amridil Kasbah and a brief Skoura palm-grove stop. Continue through Kelaat M'Gouna, pausing for lunch and a rose-product encounter only if arranged with a producer. In the afternoon, reach the Dadès valley for viewpoints and a gentle walk away from traffic. Check in to your named guesthouse before dinner; room type and facilities are confirmed in your quote.

08:00 | Ouarzazate pickup & group briefing

09:00 | Guided kasbah visit

12:30 | Lunch & rest break

15:30 | Valleys & gorges

Meals: Breakfast, dinner and lunch inclusions are specified for each day in your quote.

Overnight: Guesthouse in the Dadès valley, subject to confirmed rooms and facilities.

Ouarzazate > Amridil Kasbah > Kelaat M'Gouna > Dadès valley

Day 2 / Todra → Merzouga → Erg Chebbi

Leave the Dadès valley after breakfast for a short Todra stop, then continue east with lunch and rest breaks. Arrive in the Merzouga area with time to settle in before sunset. The camp transfer is agreed in advance: a vehicle transfer can replace camel riding, which is optional and separately quoted. Enjoy the dunes, dinner and night sky; bathroom arrangements, bedding and access must be confirmed, not assumed to be luxury.

08:00 | Valleys & gorges

12:00 | Lunch & rest break

17:00 | Sahara sunset & stars

Meals: Breakfast, dinner and lunch inclusions are specified for each day in your quote.

Overnight: Camp near Erg Chebbi; exact site, transfer and bathroom facilities confirmed before booking.

Dadès valley > Todra Gorge > Merzouga > Erg Chebbi dunes

Day 3 / Merzouga → Alnif → Agdz → Ouarzazate

Watch sunrise if you wish, then eat breakfast and leave early for Ouarzazate via Alnif and Agdz. This is the longest driving day, with substantial time in the vehicle and planned meal, restroom and driver-rest stops. A short Drâa Valley viewpoint is possible if conditions and timing allow. The provider confirms the return window; keep your evening flexible and do not book a tight onward connection.

Meals: Breakfast, dinner and lunch inclusions are specified for each day in your quote.

Overnight: Tour ends in Ouarzazate; no additional overnight included.

Optional experiences - separately quoted

No. Camel riding is optional. Request a suitable vehicle transfer and confirm access, safety and pricing with the operator. Children, pregnancy, mobility needs and animal welfare require particular consideration.

What to bring

1. Comfortable walking shoes, sun protection and drinking water
2. A light layer, personal medication and your confirmed pickup details
3. Cash for separately quoted meals, entrance fees and purchases
4. A small overnight bag and clothing for cool evenings

Accessibility & practical notes

Several hours of road travel, uneven walking paths and weather-dependent stops. Request suitable child seating, mobility support and room arrangements in advance. The driver can change unsafe stops; this is not a technical trekking or off-road expedition.

Questions & answers

Are dates, prices and places already confirmed?

No. Request your preferred date. The team confirms the provider, route, staffing, final price and available places in writing. An enquiry is not a reservation, and no invented seat count or departure date is displayed.

Do I have to ride a camel?

No. Camel riding is optional. Request a suitable vehicle transfer and confirm access, safety and pricing with the operator. Children, pregnancy, mobility needs and animal welfare require particular consideration.

Can I catch a flight after the return?

Do not rely on a tight connection. Driving, weather and rest stops can extend the return. Ask the provider for the confirmed return window and allow an additional night if necessary.
